

Become the next Chair of the Trust, a Trustee or a Governor

“Being a School Governor gives you the chance to be involved in the education of young people and help the next generation. It also gives you a chance to use the skills you have developed in your own working life to the benefit of young people, and it provides an exciting role, giving you the opportunity to be involved in the strategic decisions and future direction of the school.” Pieter Eksteen, Governing Board Member, University Technical College Derby.

Make a difference to young peoples lives and support our innovative approach to education.

We are currently looking for individuals to join our Trust Board and UTC local governing bodies who can make a real difference to our students, including someone with the potential to become Chair of the Trust.

What is the Sheffield UTC Academy Trust?

We are a Multi-Academy Trust made up of three University Technical Colleges (UTCs): UTC Sheffield City Centre, UTC Sheffield Olympic Legacy Park and UTC Derby Pride Park. UTCs are government funded schools that provide a unique combination of academic and technical employer-led learning in order to equip young people aged 13 to 19 with the skills they will need for the workplace.

The schools in our Trust represent some of the best performing UTCs nationally. Under our leadership we are proud that all of our Post-16 students have gone on to a positive destination. Our UTCs share expertise and work in partnership to offer the best possible education to our students.

It is our vision: *to inspire students with the relevance and challenge of solving real-life employer and community related problems. Allowing them to rapidly gain confidence in both technical and employability skills to become the creative contributors on whom our businesses and public services will be able to rely for shaping and driving the future of our society.*

Why become a Trustee or Governor?

By becoming a Trustee or Governor, you will provide support to the UTCs within our Trust whilst challenging them to ensure each UTC is effective. You will help the UTC to focus on what really matters and work to improve the life chances of our students.

As a Trustee or Governor you may visit the UTC, attend meetings, scrutinise performance, read papers, agree school improvements and monitor feedback.
